Our College is affiliated to SWAMI RAMANAND TEERTH MARATHWADA UNIVERSITY, Nanded. The college runs UG level Programme of Arts, Commerce and Science streams. It follows the curriculum designed by the university. The college not being autonomous has no direct role in syllabus framing. However, indirectly through the faculty of our college who are elected as BOS members, the college registers its say on curriculum planning, designing, implementation and development. Feedback from all the sections that are directly and indirectly influenced by the course content is formally and informally collected. The same is studied and analyzed to assess and understand the need of stakeholders

regarding curriculum and forwarded to the university through proper channel. To realize effectively the objectives of curriculum, the faculty not only plans its teaching programme through annual teaching report (ATR) and daily teaching report (DTR), but it also emphasizes on imparting skills and knowledge based on practical study in the form of field tours. It examines the students learning outcome through arranging internal tests on unit taught, conducting seminars and thereby identifying slow and advance learners who need diverse teaching approaches. Apart from inculcating academic skills which the curriculum prescribes, the college is keen on developing life skills which help them to survive in the outer world through various extra co-curricular activities.

No

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	<p>The college runs UG level programmes of Arts, Commerce and science streams and is affiliated to SRTMU, Nanded . It follows the curriculum designed by the university. The college not being autonomous has no direct role in syllabus framing. However, indirectly through the faculty of our college who are elected as BOS members, the college registers its say on curriculum planning, designing, implementation and development. Feedback from all the sections who are directly and indirectly influenced by the course content is formally and informally collected. The same is studied and analyzed to assess and understand the need of stakeholders regarding curriculum and forwarded to the university through proper channel. To realize effectively the objectives of curriculum, the faculty not only plans its teaching programme through annual teaching report (ATR) and daily teaching report (DTR) , but it also emphasizes on imparting skills and knowledge based on practical study in the form of field tours. It examines the students learning outcome through arranging internal tests on unit taught, conducting seminars and thereby identifying slow 18 and advance learners who need diverse teaching approaches.</p>
Teaching and Learning	<p>Teaching-Learning and Evaluation is the backbone of every Higher Education Institute. All the major policies of HEI's revolve around Teaching-learning process. Students being the centre of this process, utmost care is taken that no student is left unsatisfied. The admission process adopted by our institution is in line with the regulations framed by the Govt. of Maharashtra where in reservations for SC/ST/OBC students and 33 reservations for female students is granted. The Admission process is transparent and a committee appointed to look after the admissions helps the students seek admissions based on their Interests and skills. The committee offers psychological and financial counseling to the students. The prospectus of our college contains all</p>

the details such as vision, mission, objectives, admission process and fee, faculty information, Co-curricular and extracurricular activities conducted by college annually. The college being a tribal and rural one, 51 of our students are SC/ST/OBC/Minority and 42 of our students are female which is in line with the University and state government policy. To cater to the diverse needs of students, the students are identified as advanced and slow learners based on their performance in tests, seminars and class-room interactions. The slow learners are given remedial coaching in the zero hours so as to bring them at par. The advanced learners are provided with different reference books, information of websites and other study material to match their pace of learning. The teaching learning process adopted in the college is the blend of tradition and modernity. Lecture method along with the use of ICT is the feature of Teaching -Learning methodology adopted in our college.

Examination and Evaluation

The evaluation process adopted in our college is both formative and summative. The internal examination marks along with the university exam marks put a seal on the final performance of the student. The students are counseled by the expert faculty with regards to examination performance. As for the evaluative reforms, we have introduced CBCS as per the university guidelines from this academic year 2016-17 for F.Y. students and MCQ pattern for S.Y. and T.Y. As a result of learning outcome, our students i.e. who have passed out from our campus are working in various professions like teaching, administrative posts, law, politics, medicine and contributing to national development.

Research and Development

Though the college is located in tribal and rural area, it has a vibrant research culture. Sticking up to its commitment, Kinwat Shikshan Sanstha has allotted 3.16 acres of its land to the affiliating university to set up tribal research centre which will help in enhanced studies on tribal lives, schemes, policies, socio- economic and socio- cultural background of the

tribal lives and enabling them to lead a dignified life. At present, out of 19 faculty members, 09 are Ph.D., 05 are M.Phil and 03 are SET/ NET. 06 faculty members are engaged in their doctoral programmes, 06 faculty members are recognized research supervisors in subjects like Botany, Chemistry, Zoology and commerce.
